

**Consulting Package** Forget about choosing a “wedding package” and think about how much or how little you want us to do for you. Whether you just want a little guidance, or someone to take the reins, we can adapt our services to suit your needs. This service is designed for the couple looking for guided assistance in specific areas of their wedding planning such as:

- Theme development
- Vendor recommendations
- Information on the best times to travel
- Favorite resorts and wedding packages
- Destination wedding etiquette
- Budget allocation
- Wedding day itinerary planning
